Averag	**$0.0**	**$0**	**$0**	0	**-**	$0	$0	$0	$0
Na	**$0.0**	**$0**	**$0**	0	**-**	$0	$0	$0	$0
Na	**$0.0**	**$0**	**$0**	0	**-**	$0	$0	$0	$0
Total		**$1'300**	**$2'000**	1'334	1'400	**$47'600**	**$38'281**	**$9'319**	**$6'019**

Note: The Computer Prediction is only useful as a benchmarking tool. The computer assumes that each competitor will offer one unremarkable product in each segment. It does not know what your competitors have actually offered. Therefore, you should always override the computer's forecast with your own.

A/R Lag (days)	**30**
A/P Lag (days)	**30**
